Hunt Test Information

Please consult the Regulations for AKC hunting Tests for Pointing Breeds – Including Guidelines for Pointing Breed Hunting Tests rule book. <https://images.akc.org/pdf/rulebooks/RHTPNT.pdf>

Running Dogs in Congruent Tests

AKC policy now allows dogs to run congruent in all levels. Dogs can now obtain legs/passes in different levels and work on earning titles at the same time. Example: A dog can run in Senior and Master levels in the same event and earn passes that will count toward the required pass total for each level. With regard to the number of passes needed, all other AKC requirements apply.

Advanced Titles

AKC now has Advanced titles (JHA, SHA, and MHA). A Pointing Breed Hunting Test Advanced title is awarded when a dog passes five additional times with an average qualifying score of 8.0 or higher after earning its initial title in a test level. Visit the AKC website Performance pages for more information.

Bitches in Season

Bitches in season may compete, but all AKC rules apply. Bitches in season must run at the end of the last level to be judged on the respective field. Please reference the Regulations for AKC Hunting Tests for Pointing Breeds, Amended to December 2012, pages 3 and 4. Example: The last test on Saturday is a JH. A Bitch in heat running in JH could complete in the last brace of the JH test. The first test on Saturday is a MH followed by a SH. A bitch in heat in the MH or SH would **not** be able to run at the end of the day.”

Electronic Tracking Collars

Use of AKC Approved Electronic Tracking Collars will be permitted in these tests. All AKC approved tracking devices and the Regulations governing their use may be viewed at – www.akc.org/trackingdevices/. The rules listed on the AKC website will be adhered to. Please be familiar with these rules if you plan to use a tracking collar.
