Go North on LL.5 for 4 miles to Road 4 (The Hale Store is on the SE corner). Go east on Road 4 for 4.1 miles, past the South Republican River Wildlife Area signs to the Hale Ponds Parking Lot.

### Welcome to the South Republican Wildlife Area

Be sure to read, understand and obey all the rules.

**NOTICE:** Everyone age 16 years or older **MUST** have a valid hunting or fishing license, or the new Colorado State Wildlife Area Pass to be on ANY PART of a state wildlife area (SWA). For more information visit [www.cpw.state.co.us](http://www.cpw.state.co.us)

**Camping:** Will be at Hale Ponds between the road and the ponds. A limited amount of overnight camping is allowed on the trial grounds (20 occupied camping units). If you plan to camp overnight, make a reservation with the Field Trial Chairman prior to the trial. If we can't accommodate you, there are several campgrounds in the trial that allow overnight camping. An additional 16 unoccupied rigs may be left on the grounds.

**Horses/Storage:** During the day horses maybe tied to trailers for the purposes of feeding, watering, and resting on the Hale Ponds side of the road but no closer than 30 feet to the ponds. No staked-out horses allowed on the Hale Ponds side of the road. Horses maybe staked out overnight across the road from the Hale Ponds. **Staked out horses must be moved daily or more often to minimize habitat damage.** Colorado Parks & Wildlife will be monitoring horses staked out to ensure compliance. Whenever possible board your horse in town at the Kit Carson County Fairgrounds in Burlington. There is a \$5.00 fee per horse each night and you must clean out your stalls.

**Horse Feed:** Any hay, straw, mulch, alfalfa or grass on used CPW property must be properly marked as Certified Weed Free Forage. You can also get cubed hay at many feed stores.

**Roads/Vehicles:** Vehicles are allowed on improved roads only. The official dog wagon only will be allowed on designated access roads and will travel no farther than the end of that road. Participants will only drive on designated access roads.

**ATV's/Dirt Bikes Etc.:** Leave your ATV's at home any use of an ATV is forbidden. This includes public roads in the trial area. Hunting for animals is not an acceptable excuse.

**Dog Stake Out:** Constantly barking dogs do not enhance the field trial experiences. Single pin stakeout chains are not allowed. Dogs on this type of stake-out create a donut shaped depression that is very conspicuous. Multiple pin chains and chains attached to trailers are allowed but should be used for very short periods of time to feed and defecate only. If you have diggers, feed them in their kennel, and walk them on a lead. **Any holes must be completely filled in, leaving no depression.**

**Dog Wagon:** Do not stake out dogs for the dog wagon driver. Put the dog's name on its kennel or have someone in your camp designated to deliver the dog to the dog wagon. Personal vehicles cannot be used to deliver dogs on access roads that have been designated for the dog wagon only.

**Birds:** If you have birds with you keep them contained in your vehicle.

**Dog Wagon:** Do not stake out dogs for the dog wagon driver. Put the dog's name on its kennel or have someone in your camp designated to deliver the dog to the dog wagon. Personal vehicles cannot be used to deliver dogs on access roads that have been designated for the dog wagon only.

**Birds:** If you have birds with you keep them contained in your vehicle.

**Training:** There will be no training on the grounds two (2) days prior to and one (1) day following the trial. No training is allowed on trial days. Once birds are released, they become the property of the state. No recall devices are allowed.

**Animal Feces:** Do not clean out your horse trailer on state land. **Horse feces and non-eaten hay must be spread around. Dog feces must be picked up and disposed of in deep cover.**

**River Crossings:** Trial officials will lay out all courses prior to the start of each event. Judges, handlers, marshals and gallery will adhere to these courses. Handlers will regulate their riding speed to stay within the course. No one will cut the course. Of particular concern are river crossings. These will be designated and adhered to. This is particularly important on the east end of the trial grounds where there are no cattle crossings. When a dog has a find across the creek only those persons required to handle the dog should cross the creek and this should be at the closest good spot. A good policy is one horse at a time at creek crossings. Be sensitive to the breaking down of creek banks, this activity degrades the area, an activity we should avoid whenever possible.

**Smoking:** Is allowed inside vehicles and campers only.

**Rules apply during the trial and any period before or after the trial that a participant occupies the grounds.**

**Enforcement:** Breech of these rules will be considered unsportsmanlike conduct. Remedy could result in scratched entries with no refund and withheld placements. (03/04003-2)
