## Welcomes you to our

### Hunt Test June 16-17, 2007

We are guests of Spero Manson for this Hunt Test. To enter the property you will be required to sign a liability waiver.

The ranch has a variety of terrain ranging from open prairie to heavy pines. The courses consist of grass meadows and pine trees as well as miscellaneous brush. There is a live creek next to the parking area and some water in ponds on the courses. There are shady areas across the creek but no parking in the shade. There is water in the creek for horses and dogs. Please bring plenty of drinking water for yourself.

We would like to be invited back, so it is incredibly important to make every effort to preserve this fragile environment including water, wildlife, fish, and especially vegetation. Many small trees and bushes have been planted along the creek, so be especially careful along the creek beds.

Lunch will be available both days, a donation is appreciated.

Camping is allowed on the grounds.

Please clean-up after your dogs and fill any holes created by dogs or horses.

### Disaster & Emergency Plan
