BREED STANDARD QUALIFICATION FOR THE NATIONAL FIELD TRIAL

All Vizslas running in the National Gun Dog Championship Field Trial must be free of any disqualifying faults as stated in the Vizsla standard recognized by the American Kennel Club.

To comply with this requirement all dogs (except for those dogs with a permanent qualification number) entered in the 2013 National Gun Dog Championship Field Trial will be examined by an AKC Licensed Conformation Judge, approved to judge Vizslas on a regular or provisional basis, prior to the running of the stake in which they are entered. Examination will take place on the Field Trial grounds in a location selected by the Field Trial Committee. Examination times and judge are as follows:

Dr. Sylvia Kerr,
4700 E Florida Avenue, Denver, CO 80222-3534

Thursday, April 4, 2PM - 6PM
Friday morning, April 5, 8 AM until 12 o'clock noon.
Saturday, April 6, 8AM -12 PM (noon) if needed

Examination times, other than above, will be posted on the VCA website and at the field trial grounds.

It is the responsibility of the owner/handler to present his/her dog for evaluation during the published times. If the owner/handler of a dog cannot present his/her dog for evaluation during the published times due to an unexpected event or illness the Field Trial Secretary must be advised immediately. Every effort will be made to accommodate a special time for evaluation, however, there is no guarantee that a judge will be available outside of the published times.

Procedure for Dogs with Permanent Qualification

The Permanent Qualification Number must be included on the entry form for the stake(s) in which the dog is entered. Dogs with permanent qualification are qualified for all future VCA field events even if the breed-specific disqualifications in the standard for the Vizsla breed change. Dogs that qualify when less than 24 months of age do not have permanent qualification and are not qualified for future VCA field events.

The Vizsla standard recognized by the American Kennel Club states the following disqualifications:

- Partially or completely black nose.
- Solid white extending above the toes or white anywhere else on the dog except the fore chest.
- White extending on the shoulders or neck.
- A distinctly long coat.
- Males over 25-1/2 inches or under 20-1/2 inches in height. (Height measurements are taken at the highest point over the shoulder blades.)
- Females over 24-1/2 inches or under 19-1/2 inches in height. (Height measurements are taken at the highest point over the shoulder blades.)

These are the only breed-specific disqualifications and thus are the **ONLY STANDARDS THAT WILL BE EVALUATED.**

**We ask that you turn off ringers on cell phones
while on the course.**
